

Dear Salon Owner/Manager

I would like to express my strong interest in a senior stylist position. With years of experience as a hair stylist and colorist, I know my skill and versatility would make me an asset to your salon.

I have over three decades of experience working as a hair stylist for a variety of people and hair types (excluding ethnic hair types). I received my N3 from Roodepoort College. As an apprentice at Progress Hair I gained experience in styling, coloring, and treating hair. I subsequently worked after qualifying for a year at Allan & Paul International. My clients recommend me to others for my skill and versatility.

Having been in partnership and the sole owner of two hair salons, I am very comfortable communicating with clients both on the phone and in person. Both clients and employers have praised my strong communication, styling, and colouring skills, and I am confident I can bring those skills to a position at your salon.

I have attached my CV and work portfolio. Thank you for considering my application. Looking forward to meeting you and discussing the position further.

Best,

*Alex Korb*
